Dear Councillor Deeming,

What I have figured out for myself, based on your response, is that you don't know whether or not Council collects data on the exposure of children to sex work.

Dear Councillor Deeming,

I am pleased your clear position on this matter is grounded in principles of protecting children. I suspect all residents, including myself share your commitment to protecting children from being exposed to sex work. It would be helpful to have access to statistics relevant to children being impacted. I'm not aware Council has any statistics on the number of complaints received about children being exposed to sex work. Do you know if Council has data about the number of complaints of this nature?

Yours sincerely

Hi [REDACTED],

Keeping sex work away from children and children away from sex work, is pro-children, and I'm proud to be on the side of protecting children.

Dear [REDACTED]

RE: LGBTIQ Radio Interview refers to City of Melton as 'anti-sex work'

I wanted to bring to your attention that on 16 September 2022, I appeared on LGBTIQ radio show 'In Ya Face' where I identified the Council as one of Melbourne's top five most anti-sex work councils.

A link to the podcast audio can be found below, with the discussion about sex work and councils occurring at the very beginning of the episode.

Yours sincerely
