Hi [REDACTED],

Today I was reminded in public, about the Sex Work rezoning survey we ran in MCC.

I have still not been given the results or a report, and it is long past due. We were supposed to collate results, make them public and send them to the government.

I am extremely confused as to why I've heard nothing and would appreciate an update as to why the delay occurred and when I can expect to see the results.

Kindest regards,

Cr Moira Deeming
