Subject: RE: MEDIA RELEASE: Sex work decriminalisation community awareness campaign

Hi [REDACTED]

It's matter of interpretation in the end. I've spoken with [REDACTED] and he is going to ensure that the public messaging focuses on the appropriateness of the zoning changes and the impact on Melton, rather than on whether or not Sex Work is "decriminalised". I was very concerned about the way it was worded because it will spark an ugly debate about prostitution if that is the focus.

Kind regards,

Hi Moira,

I'm sorry to hear that, could you please tell me which part is not accurate so I can try to resolve this?

Thank you,

Hi Kylie,

I'm sorry but that release is inaccurate, as I told [REDACTED] during the live meeting.

Can you please let me know what can be done about this?
