Good afternoon [REDACTED],

I'm writing to bring your attention to another of [REDACTED] social media posts where she names 'liberal councillors and mayor', and describes liberals as not caring about women and **viewing women as nothing but sexual objects.**

I am once again, seriously disturbed by the escalating pattern of public slander in increasingly hostile and vulgar language.

Ironically as a council member your not allowed to endorse a political party, so I guess the investigations should start at home and I really hope you had some legal advice before this post 😬😬

everyone is a lawyer these days. Did you spill the same rhetoric to the Libs over the past 2 years on council or the Melton Mayor for using his position recently?

If a male Mayor can do it, so can a female councillor.

im assuming you didn't get it check before purposefully spreading your own propaganda and now you have a problem with your boss, not the smartest thing to go public with, but I'll let him know you need a new career 😬😬

you're just proving to the electorate why the Liberals are a bad decision. Keep writing.
