Hi [REDACTED]

Thanks so much for emailing me. I'm not sure why I didn't see this email (sometimes the staff access my emails and it looks to me like I've read one when I haven't).

Your email is very welcome, and believe me I am still working very hard in the background to push and push on this issue. I hope to have shine as much light on this issue as I possibly can.

You are absolutely correct in all you say about this issue. The current laws are sexist, discriminatory, oppressive and unsafe.

[REDACTED] is a hero of mine and I plan on supporting her in any way I can!

Kind regards to you,

Cr Moira Deeming
